S i r,

I have the honour to forward, herewith, letter No.D.3 of 1923-24 dated 16/18th February 1924 received from the Revenue Commissioner in Mysore recommending the grant of Rs.4,000 to the Deputy Commissioner of Kolar District for affording relief to the -- Weavers in the Kolar District, as they are put to difficulties in finding a sale for their manufactured articles and in procuring the raw materials required for their work.

The condition of the Weavers in distress areas is rather pitiable on account of the present high cost of living. The people's first anxiety is to procure food for sustenance and thus they put off all items of luxury, confining themselves to expenditure of bare necessity. Consequently, the demand for the articles prepared by the Weavers is very poor now. The creation of some facility whereby the Weavers are able to get wages for their - labour and raw materials for their work will go a long away to improve their condition. The Deputy Commissioner of Kolar proposes to utilize the money to grant loans either to Co-operative Societies or to a few respectable men of the locality who would undertake to buy their goods and sell them, thus enabling the Weavers to get their wages; and this seems to be the only way of affording help to Weavers now. I therefore recommend that the sum Rs.4,000 asked for by the Deputy Commissioner may kindly be sanctioned at an early date.

I have the honour to be,

Sir,

I have the honour to forward herewith copy of letter No. D.3 dated the 13th February 1924 fromthe Deputy Commissioner, Kolar District, stating that representations have been made to him by the weavers residing in some of the affected tracts of his District saying that they cannot find a sale for their goods and requesting that some relief may be granted to them by either the Government or the local Co-operative Societies by supplying them with yarn and and purchasing the goods produced after paying them their due wages. The Deputy Commissioner adds that in the Malur Taluk small loans not exceeding Rs.25/- in each case have been granted to several weavers who owned lands but as the scope for this kind of help is much restricted, he recommends that a sum of Rs.4,000/- may be sanctioned for the District for granting loans either to Co-operative Societies or to a few respectable men of the localities concerned who might undertake to buy the goods produced by the weavers and sell them after paying them only their wages.

2. In para 7 of Government Order No.49-63/D. dated the 26th December 1923, the question of affording relief to weavers and other artizans was reserved for consideration but no orders of Government on the subject have been received so far.

3. As far as I am aware, the only instances in which some action has been taken for the relief of weavers are those of

(i)

(i) Maddagiri for which a sum of Rs.3,000/- was sanctioned as a loan free of interest to the Co-operative Society there in Government Order No.353-414/D. dated the 25th January 1924 and

(ii) Gubbi for which the Municipal Council of the town was allowed in Government Order No.338-40/Dis. 14-23 dated the 23rd January 1924 to allot a sum of Rs.500/ out of its funds for advancing loans to the distressed weavers in the locality.

4. Pending the issue of orders on the general question of the grant of relief to weavers and other artizans in all the affected parts of the State, I beg to recommend that sanction may kindly be accorded to the proposal made by the Deputy Commissioner of Kolar and a sum of Rs.4,000/- allotted to the District for the grant of loans to Co-operative Societies for being advanced to weavers in the localities affected with distress.

I have the honour to be,

Sir,

Your most obedient servant,

K. Mandy

Revenue Commissioner.

VRR/-

dated the 13th February 1924

Copy of letter No. D.3/23-24/from the Deputy Commissioner Kolar District, to the Revenue Commissioner in Mysore, Bangalore.

Adverting to para 9 of G.O.No. 355-414/D. dated 25-1-24, sanctioning a sum of Rs.3,000/- as loan to the Maddagiri Co-operative Society free of interest, to enable it to make advances to weavers in need for relief, I have the honour to state that the condition of weavers in this District also deserves relief. Representations hae been made to me by this class of persons that they are in need of help and that either the Government or the Local Co-operative Societies may supply them with yarn and purchase afterwards the goods, paying them only their due wages. This representation seems to be reasonable. I accordingly recommend their case in this office letters No. H.C.107/23-24 dated 23-11-23 and 8-12-23. In the Malur Taluk, small loans not exceeding Rs.25/- in each case have been granted to several weavers who owned lands. As the scope for this kind of help to these persons is much restricted, I request that a sum of Rs.4,000/- may kindly be sanctioned for this District to grant loans either to the Co-operative Societies or to a few respectable men of the localities who might undertake to buy their goods and sell them, paying the weavers only their wages. Adequate security will be taken in case the help of private men has to be enlisted. My references on the subject to the Director of Industries and Commerce evoked no response.
